

SUBMISSION FORM

You'll need to copy this information into the [online form](#) to submit.

SUBMITTING YOUR IDEA

Entering the contest is easy. To submit, fill out the application and share a 3-minute video about your technology, service or application. The final deadline to submit is July 1, 2022 for consideration.

Your video should include:

- What problem your technology solves
- A description or demonstration of your solution
- Why your technology is dependant on low latency, reliability, security and/or speed
- How your solution impacts the way we LIVE, WORK, LEARN or PLAY
